

ACC-INT-HOOD Video Intercom Visor

Mounting

- Fit the visor over your assembled TD52 device.
- Use the video feed in Command to ensure it is placed out of the field of view, but overhanging the camera as much as possible.
- Once positioned correctly, use the T10 screwdriver (included with TD52) to tighten the lock screw.

What you'll need

- TD52 Video Intercom
- A T10 Torx Screwdriver

Compatible Products

- TD52 Video Intercom
