EV3 multi-technology magnetic stripe cards

Tech specs

General

Model number	ACC-AC-EV3-MAG-1	**Material**	Polyester / PVC composite
Descriptor	Multi-technology magnetic stripe, proximity, and DESFire EV3 encrypted cards	**Size**	Height: 2.1in / 54mm Width: 3.4in / 85.6mm Depth: 0.035in / 0.9mm
Compatibility	Works with all Verkada readers	**Weight**	0.25 oz / 7.0g
Chip type	T5577 MIFARE DESFire EV3	**Encryption**	AES 128 bit
Frequency	125KHz / Bit rate above 13.56 MHz / Bit rate	**Magnetic stripe**	HiCo 2750 Oe - not encoded
Warranty	10 years	**Box quantity**	100 cards
		Pricing	**US cost (MSRP)** USD $1,199 **WW cost(MSRP)** USD $1,199

*The AD34, AD64, AL54-CY, AL54-MS, AF64, TD33, TD53, TD63 readers additionally enable organizations to toggle specific antenna frequencies in Command, so low-frequency antennas can be disabled on critical entry points to only acknowledge the encrypted side.
