

# Protect Your Business & Customers with a Fully Integrated Security System

Verkada simplifies and modernizes physical security management by combining cameras, access control, and environmental monitoring onto one easy-to-use platform. Learn how the hospitality industry is utilizing Verkada to remotely monitor health, safety and security across businesses.

## Video Security

Hybrid cloud cameras offer onboard storage and edge-based processing to reliably deliver insights in real-time.

## Access Control

Manage doors, credentials and users across sites at ease with global access and active directory integrations.

## Sensors

With a collection of eight onboard sensor readings, monitor for the health and safety of all environments.

## Alarms

Catch and respond to break-ins with cloud-managed intrusion detection and 24/7 professional monitoring.

## Verkada Guest

Personalize the check-in experience for all types of visitors while integrating with cameras and access control.

## Key Benefits

### 24/7 Proactive Security

Know instantly when repeat offenders are on site or suspicious activity occurs after-hours.

### Search Filters for Quick Investigations

Use powerful forensics to filter people, vehicles, motion and other key attributes.

### Monitor From Anywhere

Remotely access doors, cameras, and sensors from Command, Verkada's web-based platform.

### Share Video for Incident Response

Locate, download and share footage from any browser or mobile device in minutes.

### Real-Time Occupancy Management

Set proactive alerts to detect crowding and visualize traffic patterns with heatmaps.

### Gain Operational Insights

Improve staff efficiency and customer experience with data-driven insights.

## Built For Your Organization

### IT & Security

- Plug-and-play with a single PoE connection — no NVRs, servers, or complex configurations.
- Set user-based roles across your organization to ensure proper access.
- Control costs with predictable TCO and an industry-leading 10-year warranty.

### Risk & Safety Professionals

- Quickly isolate events with advanced filters for quick investigations.
- Receive instant SMS alerts when a Person of Interest is on-premise or motion is detected afterhours.
- Ensure liability protection with onboard storage for up to 365 days and unlimited cloud archiving.

### Owners & General Managers

- Oversee all sites on one cloud-based platform, easily accessible through any web browser or mobile device.
- Easy-to-use without time-consuming training or onboarding.
- Share live feeds, floor plans or archived footage via SMS, MP4, or direct link.

## Customer Testimonials

### WOOD RANCH.

#### Wood Ranch BBQ & Grill

“The ability to manage all cameras at my fingertips, from any location, is powerful. This allows my team to respond to incidents quickly, without having to worry about performing a number of complicated steps to access cameras.”

**Scott Callegari**  
IT Manager

### EQUINOX

#### Equinox Fitness Club

“There are no secrets to becoming successful with Verkada. The way the system works is effortless— from the way it’s installed, to getting it up and running.”

**John Spirko**  
Senior Director of Loss Prevention

### TORCHYS

#### Torchy’s Tacos

“The installation with Verkada is very simple. We no longer need a power supply and a DVR; it’s just a PoE line and it’s plug-and-play.... It takes minutes to bring online.”

**Matthew Lambrecht**  
Senior Manager of Technology

### GAIL's BAKERY

#### GAIL's Bakery

“Now managers are able to pull up cameras on their phones or iPads. It takes seconds for them to see what’s going on and gives them peace of mind that everything is under control.”

**Brett Parker**  
Brett Parker

#### Pausa Bar & Cookery

“Creating motion grids to identify incidents has been a particularly helpful feature. We select an area of interest, and Verkada pulls up clips and thumbnails of all activity that occurred, making it quick and easy to find what we’re looking for.”

**Steve Ugur**  
Co-owner

### MERIDIAN AT COURTHOUSE COMMONS

#### Meridian at Courthouse Commons

“Verkada’s web platform is the most user-friendly I’ve experienced compared to other solutions on the market. Not only is it quick to learn, it’s also easy to navigate and use on a day-to-day basis.

**Paige Hughes**  
General Manager
